Commissaires' Communique

- 1 Despite the request during the briefing this morning, riders were seen to discard litter (gel wrappers) onto the road. Please do not discard litter in this way - you will be penalised if you do this.
- 2 Many riders crossed prime points and the finish line today with their numbers obscured by gilets. This delayed getting results about by more than an hour. Please ensure that your number is displayed when crossing prime points and finish lines in future stages. Failure to do so will lead to your being penalised.
